Dear Instructors, Competitors and Spectators

World Hanmadang 1992, Seoul, South Korea

In 1992, the first World Taekwondo Hanmadang contest took place in South Korea and brought together Taekwondo practitioners from around the world. Since then, the Hanmadang has been recognized as the leading international competition on the various Taekwondo techniques and skills. The participation and the level of professionalism and athleticism seen at these tournaments is truly inspiring.

It is my pleasure to welcome you to the **2nd Annual Oregon State Hanmadang Pacific Northwest USTC Regional Tournament**.

New to the tournament for 2019 we will be adding **Dynamic Archery** into the morning Archery Competition and also **Kung Fu Forms Divisions** with and without weapons, traditional and creative. We also will be **On Air LIVE** with Master Johnny Kang, the California State Hanmadang Tournament Director, broadcasting to the USTC Hanmadang Tournaments in North Carolina, Indiana and California.

There will be professional officials and judges, high quality tournament medals, custom wooden weapon prizes, swag bags, and an opening ceremony with champion performances, demonstrations, and a visit and introduction by the **Mayor of Eugene, Lucy Vinis**.

The Oregon State Hanmadang is an authentic, nationally sanctioned USTC event. The Executive Director of the International US Open Hanmadang, **Grand Master Doug Fuechsel,** will be in attendance. He will also be facilitating the Archery and Sword Paper Cutting competition.

Once again, welcome to the 2nd Annual Oregon State Hanmadang; an uplifting, high quality celebration of the history, spirit and future of martial arts and Taekwondo.

Sincerely,

Timothy Greathouse, Tournament Director

GRAND MASTER DOUG FUECHSEL

Grand Master Fuechsel opened his first full time dojang in Salt Lake City in 1976. He moved to Colorado Springs where he served as team captain of the resident program at the Olympic Training Center and was an Olympic spokesperson from 1986-1991. From that time through 2004, he served on the national governing body of the United States Taekwondo Union as a state president, secretary general, and delegate at large. As a competitor he has been a national sparring champion and world forms champion. In 1998, the United States Taekwondo Union chose him as instructor of the year.

Currently, Grand Master Fuechsel is an eighth degree black belt and is enjoying his 37th year of training Taekwondo students. He is the Executive Director of the US Open Taekwondo Hanmadang, which is celebrating its 11th year in Colorado Springs this year. During the Opening Ceremonies, he will be speaking to us about the new 529 Educational Sponsorships Program that he has created, called the Championship Education Fund.
