# Welcome Instructors, Competitors and Spectators!

In 1992, the first World Taekwondo Hanmadang contest took place in South Korea and brought together Taekwondo practitioners from around the world. Since then, the Hanmadang has been recognized as the leading international competition on the various skills of the martial arts. The participation and the level of professionalism and athleticism seen at these tournaments is truly inspiring.

It is our pleasure to welcome you to the **4th Annual Oregon State Hanmadang, All Styles Martial Arts Skills Tournament.**

An uplifting, high quality celebration of the history, spirit and future of the martial arts.

The Oregon State Hanmadang is an authentic, nationally sanctioned USTC event. The Executive Director of the US Open National Hanmadang, **Grandmaster Sammy Pejo** will be with us and presenting at the Opening Ceremony.

We are also very happy to say that we went to great lengths to recruit and sponsor highly trained, top quality, out of state Officials and Judges this year. The theme of this year's event is **Quality Participation** matched with **Quality Judging & Scoring**. We feel that the Oregon State Hanmadang is an excellent training tournament for serious competitors,

as well as recreational martial artists and we will earn that reputation by providing top notch judges and an unparalleled experience for our participants and spectators.

We will be adding new elements to the tournament this year including an angled WALL JUMP BOX to facilitate **Big Air kicks** in the Creative Breaking event. Also, we are making big changes to the method of judging and scoring this year. Please listen for details during the Opening Ceremony.

Scholarships and laptop computers will be rewarded to outstanding participants of various divisions and events. Stay until the end of the tournament to see who won! Thank you to **NextStep Recycling** for the laptops and **Rodger Deevers** for monetary donations and facilitation of the 529 College Savings Scholarships.

Sincerely,

M Timothy Greathouse  
Tournament Director

Lada Korol  
Tournament Manager

### STRATEGIC ESTATE PLANNING LAWYER IN EUGENE

*Do you have a plan in place that protects you and your assets?*

Whether simple or complex, you do not use your estate plan until something happens: a catastrophic accident, an Alzheimer's diagnosis or death. Family members are often left with unclear direction, no legal authority to make decisions, no legal right to property, burdensome debt or high estate taxes. It is important that you have an effective estate plan in place, because the consequences can be costly.

*Fixed fees, not billable hours.  
We don't punch a clock every time you call.*

A HEARTFELT THANK YOU TO THE HOPE PROJECT  
FROM THE OREGON STATE HANMADANG  
PLEASE CONSIDER SUPPORTING THIS ORGANIZATION!

THE  
**Hope**  
Project

[HopeProjectHelps.com](http://HopeProjectHelps.com)

**GIVE**  
to hope

**The Hope Project** is a Lane County non-profit dedicated to quick response needs—large and small, close by and far away. The mission is simple: if we hear about a need falling through the cracks of traditional support systems or needing immediate assistance, we'll coordinate and provide any help we can.

The organization is led by **Ken Brown**. Ken's diverse background as pastor, father, husband, community activist, sports fan, long-time Oregon resident, and employee of a local family business uniquely positions him to hear about people who need help and to ask the right people to provide that help.

He's organized a formal leadership committee and a group of informal supporters who care more about quick results than plodding processes.

**The giving and asking is as simple as going to**

**[HopeProjectHelps.com](http://HopeProjectHelps.com)**

If you need help, click and ask. If you can give help, click and offer. Ken and his network of volunteers are standing by ready to take it from there. No project is too small or too big.
